NUTRITION · PHYSICAL ACTIVITY · HEALTHSPAN

NAPA 2027

The 14th International Conference

Closing the Lifespan–Healthspan Gap:
Precision Geroscience through Nutrition and Physical Activity

Jan. 11–13, 2027 | Busan, Republic of Korea

Pukyong Convention Hall · Pukyong National University

Over 60 experts from 9 countries in medicine, nutrition and exercise science will gather in one place!

Connect with researchers from around the world,
share the latest insights and explore strategies to close the lifespan-healthspan gap.
